### EXPERIENCE AND ACHIEVEMENTS

- With 40 years of experience in the petroleum industry, I retired as General Manager of Operations at IOCL. My expertise spans training, safety audits, product handling, and equipment maintenance.
- **Key achievements include:**
- **Training:** Trained officers, employees, and transport crews on safe handling of POL and LPG products, including public safety programs for women and children.
- **Safety Audits:** Conducted over 70 safety audits for IOCL locations, as well as electrical and energy audits for banks and POL/LPG plants in southern India.
- **Product Handling:** Developed safe evacuation procedures for POL and LPG trucks and trained tanker crews.
- **Journey Risk Management:** Specialized in ensuring the safe transportation of petroleum products.
- **Infrastructure & Maintenance:** Contributed to the construction of IOCL's Bangalore POL Terminal and maintained critical POL/LPG equipment.
- **Regulatory Compliance:** Led PNGRB T4S and ERDMP audits for OMC locations.
- I have a proven track record in promoting safety, operational efficiency, and regulatory compliance across the petroleum sector.
